FROM THE PRINCIPAL…
(YEAR 5)

Dear Parents & Carers

It was great to see so many of you at our Athletics Carnivals last week. Your attendance really added to the atmosphere and I am sure added to the enjoyment experienced by our students.

I was very impressed with the leadership displayed by our student leaders in setting the example and encouraging all of the students.

Our students were very well behaved and really got involved by participating in events and cheering on their team mates.

I was particularly impressed with the way our students cheered on those less able athletes. Thanks again for sharing in these great carnivals.

The results were as follows:

Seniors — 1st Jacaranda on 797 points, 2nd Wattle on 789 points, 3rd Coolabah on 737 points and 4th Waratah on 700 points.

Juniors — 1st Wattle on 248 points, 2nd Jacaranda on 220 points, 3rd Coolabah on 218 points and 4th Waratah on 216 points.

In addition, Coolabah took out the shield for best team spirit.

As a consequence of a recent review, all Queensland State Institutions will be required to alert parents/carers if their child does not attend school.

Schools have been given until the end of the school year to implement a system for alerting parents of unexplained daily absences.

As a result, we are looking at providers that can notify parents by SMS on the morning of the absence.

In order to assist us, it is important that parents/carers ensure that the office has the correct mobile phone number recorded.

If you have recently changed your number, please call the office and advise us.

I also ask that parents/carers notify us as soon as possible of any absences.

We will continue to keep you informed of our progress toward implementing a messaging system.

I wish you a productive Term 3!

FROM THE DEPUTY PRINCIPAL  
(Yr 2—Yr 3)  

Junior Sports Carnival

The Junior Sports Carnival was a great success. All students had a wonderful time and gave their all for their houses.

I would like to thank the teachers for their ongoing support of all students and for assisting on the day. I would also like to thank those parents who were able to make it to the school to support their children and to those parents who were unable to attend but supported their children in spirit!

Raceview Reading

At the end of last term, 3F read their own publications to some Year 1 students from 1F.

The Year 3 students then asked some questions based on QAR. The Year 1 students thoroughly enjoyed their time with the older students. Well done Year 3!

Year 2 classes have begun the Four Read Model during literacy time. All students have specific reading goals and work in group rotations from Monday to Thursday.

Each class will be supported by our Literacy Coaches, Kylie Dixon and Mark Bond, this Semester.

Behaviour

Students at Raceview State School try very hard to show appropriate behaviours and are rewarded for this, both intrinsically (verbal praise) and extrinsically (prizes, stickers etc).

Sometimes, however, students need reminding of what is acceptable and what is not. It would be greatly appreciated if you could reinforce the SPORTy Behaviour expectations with your children so that everyone at Raceview can have a great Term 3.

Reminders about how to use self-control and ask for help rather than using physical aggression and remembering to follow instructions the first time they are given are areas where mistakes are sometimes made.

Francine Hayler  
Deputy Principal
Welcome back to students and parents/carers! I hope you all had a relaxing break and have returned feeling energised ready to tackle another busy and hopefully successful Semester 2. We continue to concentrate our work in the school around Reading and SPORTy behaviour and I again urge you to get behind our drive to improve student outcomes in these areas. If your child leaves Raceview and moves into Year 7 as a highly competent reader and one that displays Self Control, Persistence, Organisation, Respect and a Team Player attitude, they are well-poised for a successful secondary schooling experience.

There are many ways you can support your child’s learning at school, in the home environment – even for time-poor parents and carers:

- Spend 5 – 10 minutes reading to your child, asking them to tell you about features of the text such as:
  - the title and author
  - who are the main characters and what are their features?
  - what happens at the beginning, middle and end of the story?
  - is there a main idea or message?

- Mia (1C) is a Super Home Reader!
- Tyler (1E) knows 100s of sight words
- Harley (1B) knows his sounds

- Encourage your child to complete their home readers and return and replace in a timely manner
- Take 2 minutes to test your child’s knowledge of their sight words. If you don’t have a list, request one from your teacher;
- Ask what sound a letter makes, e.g. “What sound does ‘v’ make? Can you think of any words that start with ‘v’? Show me what action ‘v’ makes?” Repeat this with other letter/sounds.

For parents of students with younger siblings, get the little ones involved as early as possible too! The more exposure your children have to oral language the better. Engage in long conversations with your child throughout the day with back and forth sentences. Ask questions and answer questions. Play around with words by engaging your child in rhyming activities and nursery rhymes and clapping/tapping syllables in words such as ‘but-ter-fly’.

2017 Prep Information Evening

On Tuesday 16th August, Raceview State School will host a Prep Parent Information Evening in the school’s Library (Dunsdon Room) at 6pm. At this evening hosted by the Prep and Leadership teams, parents and carers will be given a range of information regarding Prep next year regarding curriculum and pedagogy (what we teach and how we teach), behaviour management, support services available to students and parents/carers, policy and procedures, and key messages to prepare your child for a successful start in 2017. Parents and carers will be able to nominate a preferred date and time for their interview in October and November.

Under 8s Day

I’m pleased to report that our 2016 Under 8s Day was a huge success. From all reports, the students had a fantastic time and we had a great parent/carer turnout to celebrate the day as well. I’d like to extend my sincere thanks to the numerous organisations that volunteered their time to make it such a special day. Thank you to NRL, QAFL, Ipswich Hockey Association, Top Tennis Academy, Ipswich Library, Defence Puppies, QPS and Geckoes Wildlife. I’d also like to say a huge thank you to the staff involved in making the day possible including Dominica Joseph (who was acting Deputy in my absence), Francine Hayler, Allyson Hanlon, all Prep, Year 1 and Year 2 teachers and all Teacher Aides. Thank you to our student leaders who did a fabulous job supporting the teachers and TAs on each activity. Finally, a big congratulations to the Prep to Year 2 students who displayed excellent SPORTy behaviour throughout the morning!

SCHOLASTIC
**NEWSFLASH**

**2016 SENIOR AND JUNIOR ATHLETICS CARNIVAL**

The Senior Inter-house Athletics Carnival was held last Friday, with students taking to the track to compete in their sprint races after field events were completed during term 2 and 800m finals were held on Wednesday. Although there was the threat of rain leading up to the carnival, the day turned out to be just overcast and our parents and families turned out in force to support the students.

The Senior Sports Day began with the students marching proudly in their house colours. This was followed by the houses singing their war cries with great passion and spirit. The House Spirit Award for 2016 was judged on the March Past, War Cries and the level of sportsmanship displayed during the day. This year the trophy was taken out by Coolabah.

After all field and track events were completed, house points were tallied to find the overall winner of the Jim Marsh Shield (overall point’s winner) for this year. The winner for 2016 was Jacaranda (797 points), followed by Wattle (789 points), Coolabah (772 points) and Waratah (700 points). This was the closest result for overall points in almost a decade.

I would like to congratulate every student that participated in the senior athletics carnival this year and commend you all on your wonderful sportsmanship and effort displayed throughout the day. I would also like to thank our wonderful family members for your support on the day and a special thanks to those parents that volunteered their time to work in the BBQ area and with me around the track.

A special mention must go to the following students who achieved age champion and runner-up awards on the day:

**9 Years Boys**
- Age Champion: Joseph Togia
- Runner Up: Jacob Van-Ek

**9 Years Girls**
- Age Champion: Taneesha Sagigi
- Runner Up: Lishainah Ulugia

**10 Years Boys**
- Age Champion: Cameron Dixon
- Runner Up: Jessie Miller

**10 Years Girls**
- Age Champion: Megan Largo
- Runner Up: Tenisha Tahitahi

**11 Years Boys**
- Age Champion: Zachary King
- Runner Up: Jaiden Narayan & Braiden Taylor

**11 Years Girls**
- Age Champion: Grace Birchall
- Runner Up: Dmaris Setu

**12 Years Boys**
- Age Champion: Elijah Masame
- Runner Up: Jai Scheiwe

**12 Years Girls**
- Age Champion: Taleena Dezorzi
- Runner Up: Lykeisha Lemalu

We would like to wish the 68 competitors selected in the Raceview State School Athletics Squad the best of luck as they compete at the Ipswich District Track and Field Championships from the 1st – 4th August 2016. **Raceview Strong—Raceview Proud!**

The Junior Carnival was held last Thursday and we were extremely lucky to have some cloudy conditions without any rain throughout the day. The day started with the March Past and War Cries and it was obvious from the student’s enthusiasm it was going to be a great day. The morning activities then got underway with the sprints and the class tunnel ball challenge. It was pleasing to witness the great effort and sportsmanship displayed by every student and everyone that participated received a point for their house.

Following a very closely contested morning session, the points were tallied and the winner of the 2016 Junior Carnival was Wattle (248 points). Jacaranda (220 points) were 2nd, Coolabah (218 points) 3rd and Waratah (216 Points) finished in 4th place. This was Wattle’s third straight Junior Carnival win. As with the Senior Carnival, this year’s overall points were the closest they have been in many years.

Students then participated in a number of rotational games and activities during the middle session and a great time was had by everybody. The carnival concluded with the class relays which were a great success.

Before ending this year’s newsflash from the Athletics Carnivals, there are a number of people I need to thank for helping to make this year’s carnivals such successful events.

I would like to say a very big thank you to the class teachers, teacher aides, groundsman, P&C members and administration staff for their help in the organisation, set up and running of the athletics carnivals for this year. I would also like to recognise the work of Melita Schipplock for her help in running the field events during lunchtimes in Term 2. Your time and effort is greatly appreciated and without this support, these trials would not be finalised in time.

I would also like to thank our parents/carers and families for coming along to cheer on the students as spectators, participate in the parent, teacher and student relay or work in the BBQ area with the sausage sizzle. It was fantastic to see so many people supporting our school at these events.

The sausage sizzle was again a huge success at both the Junior and the Senior Carnival. I would like to thank the students, parents and staff that took time out during the two days to help with cooking and serving.

Once again, congratulations to all students on their effort, behaviour and sportsmanship during the carnivals. You should be very proud of yourselves. **Raceview Strong—Raceview Proud!**

**SUMMER INTERSCHOOL SPORT**

The summer interschool sporting season begins on Friday 12th of August 2016 with students participating in sports including Softball, AFL, Touch, Basketball and Cricket. Please note that all sports will travel to games by bus and students will need to pay $7 per week for this. Teams will hold their trials in the coming weeks and permission notes will be sent home soon.

We had an amazing Winter Season this year, with our school taking out premierships in Hockey, Netball and Rugby League. Congratulations to all students that participated in interschool sport during Semester 1 and well done to the teams and coaches that won premierships.

For anyone who has placed orders for the polo all sizes are now
in stock and orders will be filled and delivered as soon as possible.

If you have placed an order on Munch Monitor but have not

issues with orders not coming through on Munch Monitor and will
need to track it down manually.

There have been reports that there have been issues with the quality
of the uniforms and orders. If anyone has a problem we would
appreciate it if you would contact the Uniform Shop directly as the
issue can be only be dealt with if we know about it. I have contacted
the supplier in regards to issues raised by some parents and these are
being resolved.

DRESSES
After feedback from the school community as to the design the
supplier is now in the process of providing a sample. Current stocks
of dresses are still available and will be sold prior to the new design
coming through. As there is a minimal change to the design, the old
dress style is still considered as acceptable for wear and stocks will be
replaced with the new style as we run out. We are currently out of
stock of sizes 8 and 12 so they will be the first of the new design
coming through. There may possibly be a small price increase when
the new designs come through.

SOCKS
Please note that there has been a 50c increase in the price of the
Sports Socks. They are now $9.00. (Some people may have an old
price list.)

The following activities can be counted towards the challenge:
- reading independently

- being read to (Prep – Year 2 only).

The following literature forms can be counted towards the challenge:
- printed books
- e-books, virtual books and digital publications
- graphic novels and comic books
- audio and braille books
- newspapers, magazines and recipe books.

Students wishing to participate can ask their teacher or Mrs Frazer for a recording sheet to take home and each participant should fill out their recording sheet as they complete each book. Students are to return their recording sheet to their teacher or Mrs Frazer by Friday 26 August 2016.
