Alternatively, you can still order from the tuck shop at the counter. We have white bags for first break and brown bags for second break which are available from the tuck shop. If you wish to buy a brown bag from the supermarket, please ensure you clearly write first or second break on the appropriate bag. Tuck shop orders are collected and delivered to the classroom by class tuckshop monitors. Teachers then supervise and ensure each child receives their lunch order.

Please encourage your children to see tuckshop staff if there's a missing item or a mistake with their order.
